

**Options for scheduling inspections:**

1. Online Permitting Portal : <https://cwpl.talgov.com/TallahasseePortal>
  - a. ALL Fire, Commercial Mechanical, Commercial Gas, Residential Mechanical Change Out, and all Gas Meter Set Inspections must use the portal or contact the Permit Service Center.
  - b. The portal can only be used for permits applied for on/after July 9, 2018.
2. Interactive Voice Response System (IVR) – (850)891-1800

If you are having trouble scheduling an inspection for your permit please call the Permit Service Center at (850) 891-7040.
