Other Conditions and Requirements:

- Rebate up to \$100 per device will not exceed 100% of the purchase price, taxes and installation (excludes shipping).
- Rebates for qualifying residential customers are subject to change without notice and are subject to approval.
- Thermostat must be installed in a permanent residence receiving City of Tallahassee residential electric service.
- **Limit 2 per home.** Thermostat(s) must be fully installed, operational, connected to the internet via Wi-Fi, and registered with the manufacturer prior to submitting a rebate application.
- Purchased new. Resale thermostats or a smart thermostat that is leased, rebuilt, rented, received from insurance claims, received from a warranty, received with reward points or won as a prize do not qualify.
- This application must be completed entirely for rebates to be paid.
- All rebate applications must be received within 90 days of the purchase date or installation date. Rebate will be issued as a credit to the Utility Account listed on this form. Please allow 4-6 weeks for processing.

Please send this rebate application along with a copy of the dated sales receipt to Thermostat@Talgov.com or alternatively to: Customer Operations, 435 N. Macomb St., Tallahassee, FL 32301 (Fax 891-0901)

I hereby certify that the smart thermostat(s) listed above is/are installed at the address listed and if requested, I will allow a representative of the City of Tallahassee Customer Operations department to physically inspect the installation.
