

Air Carrier Incentive Program

Tallahassee International Airport (TLH) is committed to the development of successful air service partnerships in an effort to increase the availability of flight options. The incentives provided under the terms of this program are only available to those air carriers certificated under the requirements of Title 14 CFR Parts 121.

New Domestic Air Service

Non-stop service to new domestic destinations must be publicly announced by the carrier and verified by the Airport by January 31, 2025. Any incentives must be negotiated and coordinated with TLH in advance of the public announcement by the carrier.

New Domestic Air Service Operated At Least 4 Days Per Week:

All Carriers:

Landing Fees	Waived for two years
Monthly Facility Fee Credit	\$5,000 per month for two years
Marketing Assistance	Up to \$40,000

New Domestic Air Service Operated At Least 2 Days Per Week:

All Carriers:

Landing Fees	Waived for one year
Monthly Facility Fee Credit	\$2,500 per month for one year
Marketing Assistance	Up to \$20,000

New International Air Service

Non-stop service to new international destinations must be publicly announced by the carrier and verified by the Airport by January 31, 2025. Any incentives must be negotiated and coordinated with TLH in advance of the public announcement by the carrier.

New International Air Service Operated At Least 2 Days Per Week:

All Carriers:

Landing Fees	Waived for two years
Monthly Facility Fee Credit	\$2,500 per month for two years
Marketing Assistance	Up to \$20,000

Note: 1) Additional community incentive packages may be available, subject to negotiation.
2) The Airport Director may terminate the incentive package if the airline does not maintain a minimum 75% on-time performance each month.
