Case No.: **TCE240624** Tax I.D. # **3107200250000**

Dear Sir or Madam:

The Leon County Property Appraiser's records list you as the owner of the above referenced property. In performing code violation inspections in this area, we have found that your property is in violation of the City of Tallahassee Code pertaining to overgrowth and/or trash and debris. You are required to correct the violation within the time specified on the attached violation checklist. Included on the checklist is the action you will need to take to correct the violation. Once the violation has been corrected, please notify our office immediately so that a re-inspection of your property can be completed to verify compliance allowing this office to close this case.

It is important that you resolve this code violation promptly as failure to do so will require the City to correct the violation and the contractor's cost plus our administrative fee will then be assessed against your property through a special assessment lien. The City also has the right to exercise the option of foreclosure on your property once liens are levied. It is not our desire to take this action and it would be less expensive for you to correct the violation compared to the costs for the City to correct the violation. We want to work with you to correct this code violation. **If you feel additional time will be necessary, please call our office. You will be required to submit your request in writing.**

If you disagree with our findings, you may request a hearing at the next regularly scheduled meeting of the Code Magistrate to contest the City's determination regarding the need for lot clearance. Your request for a hearing must be submitted in writing to City of Tallahassee, Housing and Community Resilience, Code Enforcement Division, 300 South Adams Street, B-15, Tallahassee, FL 32301 or faxed to our office directly at (850) 891-0976. The case number and property address must also be included on your request for a hearing.

If you have any questions concerning this notice, please contact our office at (850) 891-7007 or visit our office in the Renaissance Center located at 435 N. Macomb Street, Third Floor, Tallahassee, Florida. **Once you correct the violation(s), contact our office immediately to request an inspection.**
